AMENDMENT AND REQUEST FOR CONSIDERATION

This communication is in response to an initial Office Action mailed on July 30, 2002, concerning the above-captioned patent application.

In the Claims:

Please rewrite claims 6-5, 7-9, and 13 as follows:

3. A treatment material for use in a method for removing a coating, said coating having a hazardous metal or compound contained therein, said treatment material selected from the group consisting of:

Sodium Silicate  
Sodium Metasilicate

Diammonium Phosphate  
Dicalcium Phosphate
